Definitions and notes

RevPAR (revenue per available room), ADR (average daily rate) and occupancy are on a comparable basis, based on comparability as at 31 Mar 2022 and includes hotels that have traded in all months in both the current and prior year. RevPAR, ADR and occupancy data presented relative to 2019 include hotels that traded in both the current year and in 2019. The principal exclusions in deriving these measures are new openings, properties under major refurbishment and removals. These measures include the adverse impact of hotels temporarily closed as a result of Covid 19.

All RevPAR and ADR data is quoted at US dollar constant exchange rates.

Analysis for the Fee Business is provided by major brand in each region.

IHG's pipeline comprises hotels in planning and under construction but not yet opened; a contract for these has been signed and the appropriate fees paid.
