Dear Shareholder

**Proposed disposal of up to 100% of InterContinental Hotels Group's
interest in the Britvic Group (the "Disposal")**

1 Introduction

On 10 March 2004, the Company announced that it had reached an agreement in principle with the other Britvic Shareholders to consider the disposal of their respective interests in the Britvic Group by way of an initial public offering. On 14 November 2005, it was announced that the Company, Pernod and Whitbread (the "**Selling Shareholders**") intended to dispose of part or all of their shares in the Britvic Group on a pro rata basis by way of an offering to institutional investors in the UK and elsewhere (the "**Global Offer**").

The Group has an economic interest in the Britvic Group of approximately 47.5%. Owing to the size of the Disposal relative to the size of the Group, the Disposal requires the approval of Shareholders. The Disposal is therefore conditional, inter alia, on the approval of the Shareholders, which is to be sought at an Extraordinary General Meeting of the Company on 7 December 2005.

The purpose of this document is (i) to explain the background to and reasons for the Disposal, (ii) to explain why the Directors unanimously consider the Disposal to be in the best interests of Shareholders as a whole, and (iii) to recommend that you vote in favour of the Resolution to be proposed at the Extraordinary General Meeting.

The number of Britvic Shares to be sold by the Group in the Global Offer and the Offer Price Range together with certain additional information will be notified to Shareholders in a separate letter expected to be posted on or around 25 November 2005 (the "Shareholder Letter").

2 Background to and reasons for the Disposal

The Company is executing a strategy announced in February 2003 for growth through managing and franchising hotels. As a result, it has disposed over time of a number of hotels that it had historically owned or leased (including most recently the Hôtel Inter-Continental Paris SAS), converting the substantial majority into managed hotels and thereby releasing capital employed in the Group.

Britannia Soft Drinks, the current holding company of the Britvic Group, was established in 1986 at a time when the Group was a conglomerate operating, inter alia, as a brewer, soft drinks manufacturer, leisure operator and restaurant, pub and bar owner. It was originally established to act as the soft drinks supplier to the pub estates of its three original shareholders (Bass (now the Company), Allied Domecq (now Pernod) and Whitbread). Following the separation in April 2003 from the Mitchells & Butlers Group

and in line with the strategy pursued for its core hotels business outlined above, the Company is seeking to dispose of its investment in the Britvic Group and the Directors believe now is an appropriate time to do so.

3 Information regarding the Britvic Group

Although the Britvic Group originally relied on its shareholders' supply contracts, it has over time established itself as a market-leading soft drinks supplier in its own right. The Group has an economic interest in the Britvic Group of approximately 47.5% with Pernod and Whitbread holding approximately 23.75% each. PepsiCo also has a 5% economic interest, but its voting rights are held on trust for the Selling Shareholders on a pro rata basis. As a result, the Group has a voting interest slightly in excess of 50% and the Britvic Group's financial results are consolidated within those of the Group. The Group's interest in the Britvic Group is held by Six Continents Investments Limited, a wholly-owned subsidiary of the Company.

The Britvic Group has grown to become one of the two leading soft drinks businesses in Great Britain, producing 1.4 billion litres of soft drinks in 2005 and is the number one supplier of stills and number two supplier of carbonates. Certain developments in recent years have underpinned this growth and leave the business well positioned for the future:

- *Industry:* The UK soft drinks market has enjoyed over 25% volume growth in the last ten years and in 2004, total UK soft drinks retail sales exceeded £10 billion.
- *Pepsi:* The Britvic Group has the exclusive right to package, sell and distribute Pepsi and 7UP carbonated soft drink beverages in Great Britain. Since Britvic commenced its relationship with PepsiCo in 1987, volumes of Pepsi branded drinks in Great Britain have risen 3.5 times from 172 million litres to 611 million litres in 2004, making Britvic's market share of Pepsi branded products in Great Britain the highest in Western Europe. The success of this relationship is evidenced by the fact that in March 2004 the parties signed new contracts to extend their relationship until 2018 with a five year extension to 2023 on Admission.
- *Product Development:* In the last 8 years, the Britvic Group has launched a number of new brands and brand extensions which were responsible for 28% of revenues in the Britvic Group's financial year ended 2 October 2005. These new launches include Fruit Shoot which is now the number one ready-to-drink kids' stills brand (by retail sales value in Great Britain) in the take-home channel and J₂O which is now the number one fruit drink brand (by retail sales value in Great Britain) in the licensed on-trade channel.
- *Infrastructure:* The Britvic Group has made significant investment to build flexible production and distribution networks that have supported volume growth and driven productivity improvements of 29% in the last ten years (based on cases produced per employee). It has manufacturing plants at seven locations, a distribution network throughout Great Britain and employs approximately 3,000 people.
- *Business Transformation:* The Britvic Group has implemented a phased replacement of all its major IT systems together with a re-engineering of many of its key business processes in the last 12 months. This programme is now largely complete.

2005 was characterised by an overall slow-down in the rate of growth of the soft drinks industry in Great Britain compared to 2004. The growth in the industry was mainly driven by increased volume in the stills category, which was partially offset by a decrease in volume in the carbonates category. Largely during the first half of the Britvic Group's financial year ended 2 October 2005, increased competitive activity also coincided with a major phase of the Britvic Group's business transformation programme, which impacted the Britvic Group's performance. However, the Britvic Group's results recovered over the second half of its financial year ended 2 October 2005. Given this recovery, the Directors believe it is now appropriate to proceed with the Global Offer.

Part III of this document contains financial information for Britannia Soft Drinks for the four years ended 2 October 2005. This financial information has been extracted without material adjustment from the audited consolidated financial statements of Britannia Soft Drinks.

The following financial information has been extracted without material adjustment from the unaudited consolidated interim accounts of the Group for the 6 month period ended 30 June 2005. The operating profits attributable to the Britvic Group (as reflected in the Group unaudited consolidated interim accounts) for the 6 month period ended 30 June 2005 were £39m (£37m in respect of the 6 month period ended 30 June 2004). Revenue attributable to the Britvic Group (as reflected in the Group

unaudited consolidated interim accounts) for the 6 month period ended 30 June 2005 was £370m (£366m in respect of the 6 month period ended 30 June 2004). As at 30 June 2005, the net operating assets of the Britvic Group (as reflected in the Group unaudited consolidated interim accounts) were £248m.

The following financial information has been extracted without material adjustment from the consolidation schedules underlying the unaudited consolidated interim accounts of the Group for the 6 month period ended 30 June 2005. As at 30 June 2005, the gross assets of the Britvic Group were £501m.

Shareholders should read the whole of this document and should not solely rely on the summarised financial information set out above.

4 Terms of the Disposal

The Disposal will be effected pursuant to the Global Offer, details of which are set out below. The Disposal will only proceed if the conditions to the Global Offer are met. These include a requirement that more than 50% of the Britvic Shares are disposed of in the Global Offer.

The Global Offer will comprise an offer to institutional investors in the UK and elsewhere. The Global Offer is to be conducted by way of a “book-built” offering with prospective investors being invited to submit bids to the underwriters for a specified number of Britvic Shares at a specified price. The number of Britvic Shares to be sold by the Group in the Global Offer and the Offer Price Range will be notified to Shareholders in the Shareholder Letter. The price range prospectus for the Global Offer will also be published on or around 25 November 2005. The last date for submitting bids in the “book-build” is expected to be 8 December 2005. The Offer Price (which may be outside the Offer Price Range set out in the Shareholder Letter) will only be determined after the end of the “book-build” process. Such determination will be made by the Selling Shareholders in consultation with Britvic and the underwriters based on, inter alia, the nature and level of demand for Britvic Shares and the objective of establishing an orderly after-market in the Britvic Shares. It is expected that the Offer Price will be announced by the Company on or around 9 December 2005.

The Company may also grant an over-allotment option to the stabilising manager for the Global Offer over such number of Britvic Shares as is equal to 15% of the number of Britvic Shares sold by the Group in the Global Offer. The stabilising manager may, up to 30 days after the commencement of conditional trading of the Britvic Shares on the London Stock Exchange, enter into transactions in relation to the Britvic Shares so as to stabilise the trading price of Britvic Shares in the after-market. The stabilising manager may exercise the over-allotment option to settle over-allocations or short positions arising from stabilisation transactions in each case made in connection with the Global Offer. All Britvic Shares sold by the Group pursuant to the over-allotment option will be sold at the Offer Price.

The Company expects to receive the proceeds of the Disposal (net of selling commissions, duties, taxes and other expenses) shortly after Admission, which is expected to be on 14 December 2005. Shareholders should be aware that the Disposal may proceed notwithstanding the fact that the Offer Price may be outside the Offer Price Range but only if to do so is considered by the Directors to be reasonable and in the best interests of Shareholders as a whole. Accordingly, the Board is seeking Shareholder approval to proceed with the Disposal at such a price as would satisfy these criteria which may or may not be within the Offer Price Range.

5 Financial effects of the Disposal and use of Proceeds

Details of the expected number of Britvic Shares to be sold by the Group and the Offer Price Range will be notified to Shareholders in the Shareholder Letter. Based on this information, the expected net proceeds to be received by the Group from the Disposal will be determined and will also be set out in the Shareholder Letter. The Shareholder Letter will also contain a statement as to the effect of the Disposal on the Group’s earnings, assets and liabilities, including a pro forma statement of net assets of the Continuing Group which will have been prepared for illustrative purposes only to show the effect of the Disposal as if it had occurred on 30 September 2005.

No tax is expected to be payable by the Company as a result of the Disposal.

The Company anticipates using the proceeds received from the Disposal to return funds to its Shareholders, to repay debt and/or to reinvest in its continuing business.

6 Current trading and future prospects

Current trading is in line with the trends and conditions observed in the interim results to 30 June 2005, announced on 8 September 2005. The Board believes that the prospects for the Continuing Group in the current financial year are satisfactory.

7 Extraordinary General Meeting

The Disposal is conditional, inter alia, upon Shareholders' approval being obtained at the Extraordinary General Meeting. Accordingly, you will find set out at the end of this document a notice convening an Extraordinary General Meeting to be held at Lawrence Hall, The Royal Horticultural Society Halls, Greycoat Street, London SW1P 2QD at 10.30 am on 7 December 2005 at which the Resolution will be proposed to approve the Disposal.

As many of our Shareholders may be unable to attend the meeting in person, the Resolution will be decided on a poll, rather than a show of hands, to enable those who cannot be present to participate in the vote.

8 Action to be taken

You will find enclosed a Form of Proxy for use at the Extraordinary General Meeting. Whether or not you intend to be present at the Extraordinary General Meeting, you are requested to complete the Form of Proxy in accordance with the instructions printed on it and return it as soon as possible and in any case so as to be received by the Company's Registrar, Lloyds TSB Registrars, The Causeway, Worthing, West Sussex, BN99 6ZN no later than 10.30 am on 5 December 2005. If you hold shares in CREST, you may appoint a proxy by completing and transmitting a CREST Proxy Instruction to Lloyds TSB Registrars (CREST participant ID 7RA01) so that it is received by no later than 10.30 am on 5 December 2005. The return of a Form of Proxy or CREST Proxy Instruction will not prevent you from attending the meeting and voting in person if you wish.

Electronic Proxy Appointment is available for this Extraordinary General Meeting. This facility enables Shareholders to lodge their proxy appointment by electronic means on a website provided by Lloyds TSB Registrars via www.sharevote.co.uk. Further details are set out in the notes to the Form of Proxy.

9 Risk Factors

Shareholders should consider the risk factors associated with the Disposal. Your attention is drawn to the risk factors set out in Part II of this document.

10 ADRs

The latest time for record holders of ADRs as at 22 November 2005 to provide the ADR Depository with written voting instructions for the Extraordinary General Meeting is 3.00 pm (New York time) on 1 December 2005.

Holders of ADRs will not, except as mentioned below, be entitled to attend the Extraordinary General Meeting. However, the ADR Depository, as registered holder of the Shares underlying the ADRs, will be so entitled and will vote or appoint a proxy in respect of such Shares in accordance with written instructions received from holders of ADRs and in accordance with the ADR Depository Agreement.

Alternatively, holders of ADRs who wish to attend the Extraordinary General Meeting in person should take steps to present their ADRs to the ADR Depository for cancellation and (upon compliance with the terms of the ADR Depository Agreement, including payment of the ADR Depository's fees and any applicable taxes and governmental charges) delivery of Shares so as to become registered members of the Company prior to the Extraordinary General Meeting.

If written instructions are not received by the ADR Depository from an ADR holder on or before 1 December 2005, the ADR Depository shall deem such holder to have instructed the ADR Depository to give a discretionary proxy to a person designated by the Company with respect to such ADRs and the ADR Depository shall give a discretionary proxy to a person designated by the Company to vote such ADRs.

11 Share Schemes

As a result of the Disposal, options to acquire Shares in the Company which have been granted to employees of the Britvic Group under the Executive Share Option Plan and the Sharesave Plan will become exercisable at the time of Admission. In the case of options granted under the Executive Share Option Plan, exercise will be subject to the satisfaction of performance conditions. The Company's Remuneration Committee has resolved to amend the performance conditions applicable to the relevant Britvic Group employees, so that they will relate to the price/earnings multiple achieved by the Britvic Group on Admission. This does not require an amendment to the Executive Share Option Plan rules.

Interests in Shares held by the Britvic Group employees through the Britvic Group Inland Revenue approved Share Incentive Plan will not be affected by the Disposal.

The Britvic Group employees will be notified in writing of their individual entitlements.

12 Further information

Your attention is drawn to the further information contained in Parts II to V of this document.

13 Recommendation

The Board has received financial advice from Citigroup in relation to the Disposal. In giving its financial advice to the Board, Citigroup has relied on the Board's commercial assessment of the Disposal.

The Board considers the Disposal to be in the best interests of Shareholders as a whole and unanimously recommends Shareholders to vote in favour of the Resolution, as the Directors intend to do in respect of their own beneficial holdings of 252,900 Shares, representing approximately 0.06 per cent of the Company's existing issued ordinary share capital (as at 14 November 2005).

Yours sincerely

David Webster
Chairman

PART II RISK FACTORS

1 Risks associated with the Global Offer not proceeding due to lack of approval from Shareholders

1.1 Inability to realise value

The Directors are of the opinion that the Disposal is in the best interests of the Shareholders as a whole and the Directors believe that, taking account of the current arrangements relating to the Britvic Group, the Global Offer currently provides the best opportunity to realise the Group's investment in the Britvic Group. Accordingly if the Disposal is not approved by Shareholders the Company's ability to realise its investment in the short term may be prejudiced.

1.2 Potential destabilising effect on the Group of the Global Offer not proceeding

If the Global Offer does not proceed, this may have a negative effect on the Britvic Group, its management and employees who have committed considerable time, effort and resource in delivering the Global Offer and preparing the Britvic Group for the Global Offer. This could have a negative effect on the value of the Group's investment in the Britvic Group.

2 Risks associated with the Global Offer not proceeding due to market conditions

2.1 Inability to realise value

Notwithstanding approval by the Shareholders, there is a risk that the Global Offer may not proceed and the Company would not therefore realise the value of its investment in the Britvic Group. This would be the case if:

2.1.1 negative market conditions suggest that the Selling Shareholders will not achieve a satisfactory price for their Britvic Shares; and/or

2.1.2 the Selling Shareholders fail to agree the Offer Price and/or the number of Britvic Shares to be sold or otherwise decide not to proceed with the Global Offer; and/or

2.1.3 the remaining condition under the IPO Agreement, that more than 50% of the Britvic Shares are disposed of in the Global Offer, is not satisfied; and/or

2.1.4 the conditions set out in the underwriting agreement to be entered into by the Company in connection with the Global Offer are not satisfied or the underwriting agreement is otherwise terminated.

2.2 Potential destabilising effect on the Group of the Global Offer not proceeding

If the Global Offer does not proceed, this may have a negative effect on the Britvic Group, its management and employees who have committed considerable time, effort and resource in delivering the Global Offer and preparing the Britvic Group for the Global Offer. This could have a negative effect on the value of the Group's investment in the Britvic Group.

3 Risks associated with the Global Offer proceeding

3.1 The Continuing Group's operations will be less diversified

The Continuing Group's operations will be less diversified with a higher percentage of its operations focusing on, and therefore relying on, the hotel industry and the Continuing Group's success within the hotel industry.

3.2 The Global Offer may impact upon the Continuing Group's revenue and profit generating profile

The Britvic Group has historically been strongly cash generative, delivering profits that have historically been distributed to the Britvic Shareholders, including the Group. The Global Offer may, therefore, impact upon the Continuing Group's revenue and profit generating profile.

London Branch and the Governor and Company of the Bank of Ireland (as lenders). The facility agreement provides for two facilities to be made available to Britannia Soft Drinks and Britvic Soft Drinks Limited as borrowers consisting of: (i) a multi-currency revolving loan facility in an aggregate amount equal to £300,000,000 (“**Facility A**”); and (ii) a multi-currency revolving loan facility with an extension option and term-out option in an aggregate amount of £150,000,000 (“**Facility B**”). Facility A is to be used for general corporate purposes. Facility B is to be used towards either refinancing drawings made under Facility A or to fund any return of capital. It is intended that Facility B will be drawn down in full on or around 29 November 2005 to fund, inter alia, a payment of a dividend to the Britvic Shareholders. Both Facility A and Facility B are guaranteed by Britannia Soft Drinks, Britvic Soft Drinks Limited and Robinsons Soft Drinks Limited.

9 Litigation

The Continuing Group

- 9.1 No member of the Continuing Group is or has been involved in any governmental, legal or arbitration proceedings which may have, or have had during the 12 months preceding the date of this document, a significant effect on the financial position or profitability of the Continuing Group nor, so far as the Company is aware, are any such proceedings pending or threatened by or against any member of the Continuing Group, save for the following:

(a) **EBASA**

In 1994, EBASA, an Argentinean company, claimed that it negotiated room packages for the World Cup soccer games which Holiday Inns, Inc. (“**HII**”) failed to deliver and sought US\$9 million in damages. HII won a declaratory ruling in the US courts that no contract existed. EBASA then sued in the Argentinean courts. Although the Argentinean courts have recognised the US court decision in several different rulings, EBASA continues to hire new counsel and to file new lawsuits and appeals seeking relief from the US court ruling and raising their claims for damages to a high of US\$57m. The large majority of the courts’ decisions have to date been in favour of HII, and in April 2005 the Supreme Court of Argentina ruled that the US declaratory ruling was valid and should be given full force in Argentina. HII was dissolved by merger in 1997 and its successor is FelCor Lodging Trust. At the time of the merger, Six Continents Hotels Inc., a subsidiary of the Company, agreed to indemnify FelCor Lodging Trust for any losses it may sustain as a result of EBASA’s claims. Certain actions brought by EBASA (and a related action brought by the Argentine Football Association in relation to lost sales of tickets with a face value of approximately US\$300,000 (exclusive of interest and related legal costs)) remain open in Argentina. The amount claimed under such actions remains US\$57m, including interest and fees. The likely outcome cannot be determined at this time.

(b) **St. Charles**

In May 1996, St. Charles City Center SAL (“**St. Charles**”), a former lessor of a former Holiday Inn hotel in Beirut, Lebanon, filed a claim in the Lebanese courts against HII and certain other defendants (“**named defendants**”) seeking proceeds from an insurance policy which HII recovered through settlement of litigation with the insurance carrier in 1985. The claim against the insurance carrier arose from damages sustained to the hotel and its contents during the armed conflict that occurred in Lebanon during the early 1970s. HII contends, in part, that the proceeds represent recovery for damage to furniture, fixtures, and equipment owned by it, as well as the value of its leasehold interest in the hotel. St. Charles contends that, as the owner of the building, it is entitled to the settlement proceeds.

On 18 May 2004, the Court entered a default judgment against the named defendants. The judgment is for US\$9.5m (plus interest at 9% per annum since 1985) plus an additional US\$5m. The US\$9.5m (plus interest) represents the amount the owner erroneously believes that the named defendant(s) received from the carrier and the US\$5m is in the nature of a penal fine or punitive damages.

The judgment does not become final until the expiration of a formal notice period which has not yet been commenced by St Charles. If the defendants appear prior to the expiration of the formal notice period, the judgment will be set aside and the matter will proceed de novo, in which case the defendants may assert all available procedural defences and substantive defences going to the merits. On the basis of legal advice, the current judgment is believed to be unenforceable against the named defendants.

Britvic Group

9.2 No member of the Britvic Group is or has been involved in any governmental, legal or arbitration proceedings which may have, or have had during the past 12 months preceding the date of this document, a significant effect on the financial position or profitability of the Britvic Group nor, so far as the Company is aware, are any such proceedings pending or threatened by or against any member of the Britvic Group.

10 Working Capital

The Company is of the opinion that, taking into account the facilities available to the Continuing Group, the Continuing Group has sufficient working capital available for its present requirements, that is, for at least the next 12 months from the date of publication of this document.

Notes:

- (1) Any member of the Company entitled to attend and vote at the Extraordinary General Meeting is entitled to appoint a proxy (or proxies) to attend and, upon a poll, vote instead of him. A proxy need not be a member of the Company.
- (2) A form of proxy is enclosed. To be valid, the Form of Proxy, together with the power of attorney or other authority, if any, under which it is signed, or a duly certified copy thereof, should be completed, signed and deposited with the Company's Registrar, Lloyds TSB Registrars, at The Causeway, Worthing, West Sussex, BN99 6ZN, not later than 48 hours before the time appointed for the Extraordinary General Meeting. Completion of a Form of Proxy will not preclude a member from attending the Extraordinary General Meeting and voting in person.
- (3) To be effective, the instrument appointing a proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority) must be received by Lloyds TSB Registrars of The Causeway, Worthing, West Sussex, BN99 6ZN no later than 10.30 am on 5 December 2005.
- (4) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that to be entitled to attend and vote at the Extraordinary General Meeting or any adjournment thereof (and for the purposes of determining the number of votes that may be cast) a person must be entered on the Company's register of members at 6.00 pm (London time) on the day two days before the day of the Extraordinary General Meeting or adjourned meeting (as the case may be). Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the Extraordinary General Meeting or any adjourned meeting (as the case may be).
- (5) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Extraordinary General Meeting to be held on 7 December 2005 and any adjournment(s) thereof by using the

procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA01) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
