- i to the allotment of equity securities in connection with an offer of equity securities (but in the case of the authority granted under Resolution 8i(b), by way of a rights issue only) to or in favour of:
 - (a) holders of ordinary shares in proportion (as nearly as may be practicable) to their existing holdings; and
 - (b) holders of other equity securities, if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities;

Explanation of business

Supporting information on the election and re-election of Directors and an explanation of some of the technical items of business are presented below.

RESOLUTIONS 4(a) TO 4(k) – DIRECTORS

The Company's Articles of Association (the 'Articles') require that any new Directors appointed by the Board since the last Annual General Meeting shall retire at the next Annual General Meeting and be subject to election. All Directors shall retire at least every three years and if they wish to continue serving in office, they shall be subject to re-election. Patrick Cescau was appointed to the Board as Non-Executive Chairman on 1 January 2013. He is therefore seeking formal election for the first time. In accordance with the recommendations of the UK Corporate Governance Code, all other Directors are retiring and seeking re-election at this Annual General Meeting. Biographies of all Directors are shown on pages 46 and 47 of the Annual Report and Financial Statements 2012 and on pages 46 and 47 of the Annual Review and Summary Financial Statement 2012, which are available on the Company's website www.ihgplc.com/investors under financial library.

Each election and re-election will be put as a separate resolution. The Board supports these resolutions for the following reasons. The current composition of the Board provides an appropriate balance of Executive Directors and independent Non-Executive Directors who collectively have an appropriate balance of skills, experience, independence and knowledge to enable the Board to discharge its duties and responsibilities effectively. A Board performance evaluation was conducted with external assistance for 2012. It was concluded that each Board member continues to make an effective contribution and retains a strong commitment to the role. All Non-Executive Directors remain independent in judgement and character. The Board as a whole is fully committed to the successful development of the business, to meeting the Company's strategic objectives and to the delivery of shareholder value.

Patrick Cescau was appointed as Non-Executive Chairman on 1 January 2013. He is also a Non-Executive Director of International Consolidated Airlines Group S.A., and the Senior Independent Director and Non-Executive Director of Tesco PLC. He previously served as Group Chief Executive of Unilever Group.

David Kappler was appointed as Senior Independent Non-Executive Director in June 2004. He is also a Non-Executive Director of Shire plc. He formerly served as Chief Financial Officer of Cadbury Schweppes plc and Non-Executive Chairman of Premier Foods plc.

Kirk Kinsell, President, The Americas, was appointed as an Executive Director in August 2010 and has over 30 years' experience in the hospitality industry. He has responsibility for the business development and performance of all the hotel brands and properties in The Americas region.

Jennifer Laing was appointed as an independent Non-Executive Director in August 2005. She is a Fellow of the Marketing Society and of the Institute of Practitioners in Advertising and has over 30 years' experience in advertising. She is also a Non-Executive Director of Hudson Global, Inc. and Premier Foods plc.

Jonathan Linen was appointed as an independent Non-Executive Director in December 2005. He is also a Non-Executive Director of Yum! Brands, Inc. and Modern Bank, N.A. and was formerly the Vice Chairman of the American Express Company.

Luke Mayhew was appointed as an independent Non-Executive Director in July 2011. He is also a Non-Executive Director of Brambles Limited. He previously served for 12 years on the Board of John Lewis Partnership, including as Managing Director of the Department Store Division.

Dale Morrison was appointed as an independent Non-Executive Director in June 2011. He is a founding partner of TriPointe Capital Partners and a Non-Executive Director of International Flavors & Fragrances Inc. and Chairman of Findus Group Limited. He was previously President and Chief Executive Officer of McCain Foods Limited.

Tracy Robbins, Executive Vice President, Human Resources and Group Operations Support, was appointed as an Executive Director in August 2011. She has responsibility for global talent management, leadership development, employee reward strategy and implementation, organisational capability and operations support.

Tom Singer, Chief Financial Officer, was appointed as an Executive Director in September 2011. He is responsible, together with the Board, for overseeing the financial operations of the Group and setting its financial strategy.

Richard Solomons, Chief Executive since July 2011, is responsible for the executive management of the Group. He has worked within the Group since 1992 and has held a number of senior roles. His previous role was Chief Financial Officer and Head of Commercial Development.

Ying Yeh was appointed as an independent Non-Executive Director in December 2007. She is a Non-Executive Director of AB Volvo, ABB Ltd and Samsonite International S.A.. She was formerly Vice President and Chairman, Greater China Region, Nalco Company. She was, for 15 years, a diplomat with the US Foreign Service in Hong Kong and Beijing until 1997.

The Board recommends that all Directors continue to serve as Directors of the Company¹.

RESOLUTION 7 – POLITICAL DONATIONS

It remains the policy of the Company not to make political donations or incur political expenditure. However, to avoid inadvertent infringement of the widely drawn 2006 Act, the Directors are seeking shareholders' authority for the Company and its UK subsidiaries to make political donations and to incur political expenditure, up to a maximum aggregate amount of £100,000 during the period from the date of this Annual General Meeting to the date upon which the 2014 Annual General Meeting concludes or 1 July 2014, whichever is the earlier.

Neither the Company nor any of its subsidiaries made any political donations during the year and the Company proposes to maintain its policy of not making such payments.

RESOLUTION 8 – AUTHORITY TO ALLOT SHARES

The Association of British Insurers' ('ABI') guidelines state that ABI members will permit, and treat as routine, (i) a request for authorisation to allot up to one-third of the current total issued share capital of the Company, together with the number of shares required to be allotted in respect of share incentive schemes; and (ii) a request for authorisation to allot up to a further one-third of the Company's current total issued share capital, provided that such additional allotment is only applied to fully pre-emptive rights issues. The Board considers it appropriate that the Company should follow these guidelines.

¹ Copies of contracts of service or letters of appointment for each of the Directors will be available to members for inspection at the Registered Office of the Company during normal business hours from the date of this Notice until the date of the Annual General Meeting and, on that day, at the place of the Meeting at least 15 minutes prior to the commencement of the Meeting until its conclusion.

Accordingly, under Resolution 8(a), the Directors are seeking authority to allot shares up to an aggregate nominal amount of £13,050,819 pursuant to Section 551 of the 2006 Act, which is equivalent to approximately one-third of the total issued share capital of the Company (excluding treasury shares²) as at 18 February 2013. Under Resolution 8(b), the Directors are seeking authority to allot ordinary shares in connection with a rights issue in favour of ordinary shareholders up to a further aggregate nominal amount of £13,050,819, which is equivalent to approximately one-third of the total issued share capital of the Company (excluding treasury shares) as at 18 February 2013.

Therefore, the total authorisation sought by Resolution 8 is equal to approximately two-thirds of the total issued share capital of the Company (excluding treasury shares) as at 18 February 2013.

The Directors have no present intention of exercising this authority other than in connection with the Company's share incentive schemes but they consider it desirable to have the maximum flexibility permitted by corporate governance guidelines. If such authority is exercised, the Directors intend to follow best practice with respect to its use as recommended by the ABI, including that all Directors will stand for re-election.

This authority will expire on the date upon which the 2014 Annual General Meeting concludes or on 1 July 2014, whichever is the earlier.

RESOLUTION 9 – DISAPPLICATION OF PRE-EMPTION RIGHTS

The Directors, pursuant to Section 561 of the 2006 Act, are seeking authority to allot shares for cash without first being required to offer such securities to existing shareholders in proportion to their existing shareholdings and to dispose of shares held in treasury, other than by way of a rights issue or in connection with any other pre-emptive offer, up to an aggregate nominal amount of £1,957,622, which is equivalent to approximately 5 per cent of the total issued share capital of the Company as at 18 February 2013.

In line with the Pre-Emption Group's Statement of Principles, the Directors do not intend to allot shares for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company within a rolling three-year period, without prior consultation with the shareholders.

This authority will expire on the date upon which the 2014 Annual General Meeting concludes or on 1 July 2014, whichever is the earlier.

RESOLUTION 10 – AUTHORITY TO PURCHASE OWN SHARES

The Company is seeking authority to purchase up to 26,835,747 ordinary shares, this being approximately 10 per cent of its total issued share capital as at 18 February 2013, at, or between, the minimum and maximum prices specified in this resolution. This power would be used only after careful consideration by the Directors, having taken into account market conditions prevailing at that time, the investment needs of the Company, its opportunities for expansion and its overall financial position. The Directors would exercise this authority to purchase ordinary shares only if they considered it to be in the best interests of shareholders and if the purchase could be expected to result in an increase in earnings per share. The Company may either cancel any shares it purchases under this authority or transfer them into treasury. Pursuant to the Company's share buyback programme announced on 7 August 2012, 4,143,960 ordinary shares were repurchased and cancelled in 2012. Had they been held in treasury, at 31 December 2012 these would have represented 1.5 per cent of the Company's issued share capital.

There were outstanding, at 18 February 2013, options to subscribe for 665,904 ordinary shares, representing 0.25 per cent of the Company's current total issued share capital. If the full 10 per cent share repurchase authority was utilised, the options outstanding would represent 0.28 per cent of the current total issued share capital.

This authority will expire on the date upon which the 2014 Annual General Meeting concludes or on 1 July 2014, whichever is the earlier.

RESOLUTION 11 – NOTICE OF GENERAL MEETINGS

Under the Companies (Shareholders' Rights) Regulations 2009 the notice period for general meetings (other than annual general meetings) has been extended to not less than 21 clear days. The Company is able to preserve the authority to call a General Meeting, other than an Annual General Meeting, on not less than 14 clear days' notice, provided shareholders have approved this by passing a special resolution annually. Accordingly, Resolution 11 is seeking to renew the authority granted at the Annual General Meeting in 2012. The Company will give due consideration to whether to use the reduced notice period for the calling of a General Meeting, as permitted by the passing of this resolution, and will not use it as a matter of routine but only where such flexibility is necessary. The Company will comply with the requirement to provide appropriate facilities for shareholders to vote by electronic means at General Meetings held on less than 21 clear days' notice. This resolution is valid until the 2014 Annual General Meeting, when it is intended that a similar resolution will be proposed.

The Directors believe that the adoption of all the resolutions set out in this Notice of Annual General Meeting are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of the resolutions, as each Director intends to do in respect of his or her own beneficial holdings.

² Treasury shares are shares in the Company which are owned by the Company itself. The Company, following purchase of its own shares, is able to hold such shares in treasury instead of cancelling them. Such shares may subsequently be resold for cash, transferred to an employee share scheme or cancelled. Any shares bought back by the Company and held in treasury will not rank for dividends and will not carry any voting rights. The Company's Articles of Association provide for dealing with treasury shares, including ensuring that the sale of treasury shares by the Company is subject to the same pre-emption rights (and exceptions) as the allotment of new shares. The Company does not currently hold any treasury shares.

Technical notes

- 1** A member is entitled to appoint another person, who need not be a member, as his proxy to exercise all or any of his rights to attend, speak and vote at this Annual General Meeting or any adjournment thereof. A member may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member.
- 2** A Form of Proxy is enclosed. To be valid, the Form of Proxy must be received by the Company's Registrar, Equiniti, by no later than 11.00am on Wednesday, 22 May 2013 or, if the Meeting is adjourned, 48 hours before the time of the adjourned Meeting. The appointment of a proxy will not prevent a member from subsequently attending, speaking and voting at the Meeting in person.
- 3** If you wish, you may register the appointment of a proxy for this Meeting electronically, by logging on to the Registrar's website, www.sharevote.co.uk, where details of the procedure are shown. The Voting ID, Task ID and Shareholder Reference Number shown on your Form of Proxy will be required to complete the procedure. Electronic Proxy Appointment will not be valid if received after 11.00am on Wednesday, 22 May 2013, or if the Meeting is adjourned, 48 hours before the time of the adjourned Meeting, and will not be accepted if found to contain a computer virus.
- 4** CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for this Meeting by using the procedures described in the CREST Manual available on the Euroclear website, www.euroclear.com/CREST. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order to be valid, the appropriate CREST Proxy Instruction must be transmitted so as to be received by the Company's agent (CREST participant ID RA19) by 11.00am on Wednesday, 22 May 2013, or if the Meeting is adjourned, 48 hours before the time of the adjourned Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor(s) or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting system providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 5** Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
- 6** The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the 2006 Act ('nominated persons'). Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy for the Meeting. If nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
- 7** Holders of ordinary shares are entitled to attend and vote at General Meetings of the Company. On a vote by show of hands, every member who is present has one vote and every proxy present who has been duly appointed by a member entitled to vote has one vote, unless the proxy has been appointed by more than one member and has been instructed by one or more members to vote for the resolution and by one or more members to vote against the resolution, in which case the proxy has one vote for and one vote against. On a poll vote, every member who is present in person or by proxy has one vote for every ordinary share of which he/she is the holder.
- 8** The Company, pursuant to the Uncertificated Securities Regulations 2001, specifies that only those members on the Register of Members as at 6.00pm on Wednesday, 22 May 2013 or, if the Meeting is adjourned, on the Register of Members at 6.00pm two days prior to the date of any adjourned Meeting, shall be entitled to attend and vote at the Meeting in respect of the number of shares registered in their names at that time. Changes to entries on the Register of Members after the relevant above-mentioned deadline shall be disregarded in determining the right of any person to attend and vote at the Meeting.
- 9** As at 18 February 2013 the Company's total issued share capital consists of 268,357,471 ordinary shares, carrying one vote each. Therefore, the total number of voting rights in the Company as at 18 February 2013 is 268,357,471.
- 10** Under Section 319A of the 2006 Act, any member attending the Meeting has the right to ask questions in relation to the business of the Meeting. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
- 11** Under Sections 338 and 338A of the 2006 Act, members may request the Company to include in the business to be dealt with at the Annual General Meeting any matter (other than a proposed resolution) which may be properly included in the business, provided that it is not defamatory, frivolous or vexatious. The Company will include such matter if sufficient requests have been received by members who have at least 5 per cent of the total voting rights or by at least 100 members who hold shares on which there has been an average sum, per member, of at least £100 paid up and submitted in the manner detailed in Sections 338 and 338A of the 2006 Act.
- 12** Members should also note that it is possible that, pursuant to requests made under Section 527 of the 2006 Act, the Company may be required to publish on a website a statement setting out any matter relating to (i) the audit of the Company's financial statements (including the Auditors' Report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an Auditor of the Company appointed since the previous meeting at which the annual report and financial statements were laid. The Company may not require the members requesting such website publication to pay its expenses in complying with Sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement under Section 527 of the 2006 Act, it must forward the statement to the Company's Auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under Section 527 of the 2006 Act to publish on a website.
- 13** Members may not use any electronic address provided in either this Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
- 14** A copy of this Notice and other information required by Section 311A of the 2006 Act can be found at the Company's corporate website www.ihgplc.com/investors under financial library.
