8. Allotment of shares

i THAT the Directors be and are hereby generally and unconditionally authorised pursuant to, and in accordance with, Section 551 of the 2006 Act to exercise all powers of the Company to allot shares in the Company and to grant rights to subscribe for, or to convert any security into, shares in the Company:

This authority shall hereby take effect from the date of the passing of this resolution until the conclusion of the Company's AGM in 2019, or the close of business on 1 July 2019, whichever is the earlier, provided that, in each case, the Company may, before this authority expires, make offers and enter into agreements which would, or might, require shares in the Company to be allotted or rights to subscribe for or convert any security into shares to be granted after this authority expires and the Directors may allot shares in the Company or grant rights under any such offer or agreement as if this authority had not expired;

ii THAT subject to paragraph iii below, all existing authorities given to the Directors pursuant to Section 551 of the 2006 Act by way of the ordinary resolution of the Company passed on Friday, 5 May 2017 be revoked by this resolution; and

THAT, subject to the passing of Resolution 8 above, and in place of the power given to them pursuant to the special resolution of the Company passed on Friday, 5 May 2017, the Board be authorised to allot equity securities (as defined in the 2006 Act) for cash under the authority given by Resolution 8 and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the 2006 Act did not apply to any such allotment or sale, such authority to be limited:

i to the allotment of equity securities in connection with an offer of equity securities (but in the case of the authority granted under Resolution 8i(b), by way of a rights issue only) to or in favour of:

(a) holders of ordinary shares in the Company in proportion, as nearly as may be practicable, to their existing holdings; and

- (b) holders of other equity securities, as required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities; and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, shares represented by depositary receipts, legal, regulatory or practical problems under the laws of, or the requirements of, any recognised regulatory body or any stock exchange in any territory or any other matter whatsoever; and
- ii to the allotment of equity securities or sale of treasury shares (otherwise than under paragraph (i) above) up to a nominal amount of £1,957,157,

such authority to expire at the end of the next AGM of the Company (or, if earlier, at the close of business on 1 July 2019), but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

10. Further disapplication of pre-emption rights

THAT subject to the passing of Resolution 8, the Board be authorised, in addition to any authority granted under Resolution 9, to allot equity securities (as defined in the 2006 Act) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the 2006 Act did not apply to any such allotment or sale, such authority to be:

- i limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £1,957,157; and
- ii used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this Notice of AGM, such authority to expire at the end of the next AGM of the Company (or, if earlier, at the close of business on 1 July 2019), but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

11. Authority to purchase own shares

THAT the Company be and is hereby generally and unconditionally authorised for the purpose of Section 701 of the 2006 Act to make market purchases (within the meaning of Section 693(4) of the 2006 Act) of its ordinary shares on such terms and in such manner as the Directors think fit provided that:

- i the maximum aggregate number of ordinary shares hereby authorised to be purchased is 18,999,018;
- ii the minimum price which may be paid for each ordinary share is 19¹⁷/₂₁ pence per share, being the nominal value of an ordinary share;
- iii the maximum price (exclusive of all expenses) which may be paid for each ordinary share is an amount equal to the higher of:
- (a) 105% of the average of the middle-market quotations of an ordinary share of the Company, as applicable, as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such share is contracted to be purchased; and
- (b) the Stipulated Amount. In this resolution, "Stipulated Amount" means the amount stipulated by Regulatory Technical Standards adopted by the European Commission pursuant to Article 5(6) of the Market Abuse Regulation (EU) No.596/2014; and
- iv the authority hereby conferred shall take effect on the date of the passing of this resolution and shall expire on the conclusion of the Company's AGM in 2019, or at the close of business on 1 July 2019, whichever is the earlier (except in relation to the purchase of ordinary shares the contract for which was concluded before such date and which is executed wholly or partly after such date), unless such authority is renewed prior to such time.

12. Notice of General Meetings

THAT a General Meeting of the Company, other than an AGM, may be called on not less than 14 clear days' notice during the period from the date of the passing of this resolution to the date upon which the Company's AGM in 2019 concludes.

13. Adoption of new Articles of Association

THAT the new Articles of Association of the Company, produced to the Meeting and initialled by the Chairman of the Meeting for the purpose of identification, be adopted as the Articles of Association of the Company, in substitution for, and to the exclusion of, the existing Articles of Association.

Explanation of business

Supporting information on the election and re-election of Directors and an explanation of some of the technical items of business are presented below.

Resolution 2 Directors' Remuneration Report 2017

The Directors' Remuneration Report set out on pages 70 to 77 of the Company's Annual Report and Form 20-F for the year ended 31 December 2017 sets out how the Directors' Remuneration Policy was implemented in 2017 and the resulting payments each of the Executive Directors received. The vote on the Directors' Remuneration Report is an annual requirement of the 2006 Act. In accordance with the 2006 Act, the vote on the Directors' Remuneration Report is advisory in nature, which means that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that this resolution is not passed. The Company's Auditor, Ernst & Young LLP, has audited those parts of the Directors' Remuneration Report that are required to be audited.

Resolution 3 Declaration of final dividend

The Board has proposed a final dividend of 71.0 cents per ordinary share. A final dividend can only be paid after the shareholders have approved it. If approved, the final dividend of 71.0 cents per ordinary share will be paid on 11 May 2018 to shareholders on the register at the close of business on 3 April 2018. The Pounds Sterling amount of the final dividend will be announced on 23 April 2018, calculated based on the average of the market exchange rates for the three working days commencing 18 April 2018, using WM/Reuters closing mid-point spot rate as at 4.00pm.

Resolutions 4(a) to 4(k) Election and re-election of Directors

The Company's Articles of Association require that (i) any new Directors appointed by the Board since the last AGM shall retire at the next AGM and be subject to election; and (ii) all other Directors shall retire at least every three years and, if they wish to continue serving in office, be subject to re-election. Keith Barr was appointed to the Board as the Chief Executive Officer on 1 July 2017 and Elie Maalouf was appointed to the Board as Chief Executive Officer, Americas, on 1 January 2018. Both, therefore, are seeking formal election for the first time. In accordance with the recommendations of the UK Corporate Governance Code, all other Directors are retiring and seeking re-election at this AGM.

Each election and re-election will be put as a separate resolution. The Board believes that the current composition of the Board provides an appropriate balance of Executive Directors and independent Non-Executive Directors who collectively have the appropriate balance of skills, experience, independence and knowledge to enable the Board to discharge its duties and responsibilities effectively.

Boardroom Review Limited was appointed by the Company in 2016 to conduct an effectiveness evaluation of the Board, its Committees and its individual Directors. A detailed report of its findings was presented to the Board in May 2017. It concluded that the Board is well-functioning and effective. Boardroom Review Limited is an independent external facilitator with no connection to the Company. All Non-Executive Directors, excluding the Chairman, remain independent in judgement and character.

The Board as a whole is fully committed to the successful development of the business, to meeting the Company's strategic objectives and to the delivery of shareholder value.

Biographies of all current Directors are shown on pages 48 to 49 of the Company's Annual Report and Form 20-F for the year ended 31 December 2017 and on the Company's website at www.ihplc.com/about-us under Our leadership.

The Board recommends that all Directors continue to serve as Directors of the Company¹.

Resolution 7 Political donations

It remains the policy of the Company not to make political donations or incur political expenditure. However, to avoid inadvertent infringement of the widely drafted 2006 Act, the Directors are seeking shareholders' authority for the Company and its UK subsidiaries to make political donations and to incur political expenditure, up to a maximum aggregate amount of £100,000 during the period from the date of this AGM until the conclusion of the Company's AGM in 2019 or the close of business on 1 July 2019, whichever is the earlier.

Neither the Company nor any of its subsidiaries made any political donations during the year and the Company proposes to maintain its policy of not making such payments.

Resolution 8 Allotment of shares

The Investment Association's ('IA') guidelines state that IA members will permit, and treat as routine, (i) a request for authorisation to allot up to one-third of the current total issued share capital of the Company, together with the number of shares required to be allotted in respect of share incentive schemes; and (ii) a request for authorisation to allot up to a further one-third of the Company's current total issued share capital, provided that such additional allotment is only applied to fully pre-emptive rights issues. The Board considers it appropriate that the Company should follow these guidelines.

Accordingly, under Resolution 8i(a), the Directors are seeking authority to allot shares and grant rights to subscribe for, or convert securities into, shares up to an aggregate nominal amount of £12,545,383 pursuant to Section 551 of the 2006 Act, which is equivalent to approximately one-third of the total issued share capital of the Company (excluding treasury shares²) as at 19 February 2018, the latest practicable date prior to publication of this Notice of AGM ('Latest Practicable Date'). Under Resolution 8i(b), the Directors are seeking authority to allot ordinary shares in connection with a rights issue in favour of ordinary shareholders up to a further aggregate nominal amount of £12,545,383, which is equivalent to approximately one-third of the total issued share capital of the Company (excluding treasury shares²) as at the Latest Practicable Date.

Therefore, the total authorisation sought by Resolution 8 is equal to approximately two-thirds of the total issued share capital of the Company (excluding treasury shares²) as at the Latest Practicable Date.

¹ Copies of contracts of service or letters of appointment for each of the Directors will be available to members for inspection at the Registered Office of the Company during normal business hours from the date of this Notice of AGM until the date of the AGM and, on that day, at the place of the AGM at least 15 minutes prior to the commencement of the AGM until its conclusion.

² Treasury shares are shares in the Company which are owned by the Company itself. The Company, following purchase of its own shares, is able to hold such shares in treasury instead of cancelling them. Such shares may subsequently be resold for cash, transferred to an employee share scheme or cancelled. Any shares bought back by the Company and held in treasury will not rank for dividends and will not carry any voting rights. The Company's Articles of Association provide for dealing with treasury shares, including ensuring that the sale of treasury shares by the Company is subject to the same pre-emption rights (and exceptions) as the allotment of new shares. As at the Latest Practicable Date, the Company held 7,607,430 ordinary shares as treasury shares representing approximately 4.00% of the total issued share capital (excluding treasury shares).

The Directors have no present intention of exercising this authority other than in connection with the Company's share incentive schemes, but they consider it desirable to have the maximum flexibility permitted by corporate governance guidelines. If such authority is exercised, the Directors intend to follow best practice with respect to its use as recommended by the IA.

This authority will expire on the conclusion of the Company's AGM in 2019 or at the close of business on 1 July 2019, whichever is the earlier.

Resolutions 9 and 10 Disapplication of pre-emption rights

The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities without making a pre-emptive offer to existing shareholders. This cannot be done under the 2006 Act unless the shareholders have first waived their pre-emption rights. Resolutions 9 and 10 ask shareholders to grant this limited waiver. The resolutions will be proposed as special resolutions.

Resolution 9 contains a two-part waiver. The first is limited to the allotment of shares for cash in connection with a rights issue to allow the Directors to make appropriate exclusions and other arrangements to resolve legal or practical problems which, for example, might arise in relation to overseas shareholders. The second is limited to the allotment of shares for cash up to an aggregate nominal value of £1,957,157 (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which represents approximately 5% of the total issued ordinary share capital as at 19 February 2018 (the Latest Practicable Date before the publication of this Notice of AGM).

The waiver granted by Resolution 10 is in addition to the waiver granted by Resolution 9. It is limited to the allotment of shares for cash up to an aggregate nominal value of £1,957,157 (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which represents a further 5% (approximately) of the total issued ordinary share capital as at 19 February 2018 (the Latest Practicable Date before the publication of this Notice of AGM). This further waiver may only be used for an allotment of shares for cash for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group's March 2015 Statement of Principles.

This authority will expire on the conclusion of the Company's AGM meeting in 2019, or at the close of business on 1 July 2019, whichever is the earlier.

Resolution 11 Authority to purchase own shares

The Company is seeking authority to make market purchases of up to 18,999,018 of its own ordinary shares (being approximately 10% of its total issued share capital (excluding treasury shares²) as at the Latest Practicable Date. The maximum price (exclusive of expenses) which may be paid for each share shall be an amount equal to the higher of:

- (a) 105% of the average of the middle market quotations for an ordinary share in the Company derived from the London Stock Exchange Daily Official List for the five business days immediately prior to the day on which the share is contracted to be purchased; and

- (b) the amount stipulated by Regulatory Technical Standards adopted by the European Commission pursuant to Article 5(6) of the Market Abuse Regulation (EU) No.596/2014. The minimum price (exclusive of expenses) per share shall be 19 ¹⁷/₂₁ pence, being the nominal value of an ordinary share. This power would be used only after careful consideration by the Directors, having taken into account market conditions prevailing at that time, the investment needs of the Company, its opportunities for expansion and its overall financial position. The Directors would exercise this authority to purchase ordinary shares only if they considered it to be in the best interests of shareholders and if the purchase could be expected to result in an increase in earnings per share. The Company may either cancel any shares it purchases under this authority or transfer them into treasury.

At the Latest Practicable Date, there were no outstanding options to subscribe for ordinary shares in the Company.

This authority will expire on the conclusion of the Company's AGM in 2019, or at close of business on 1 July 2019, whichever is the earlier.

Resolution 12 Notice of General Meetings

Under the Companies (Shareholders' Rights) Regulations 2009 the notice period for General Meetings (other than AGMs) has been extended to not less than 21 clear days. The Company is able to preserve the authority to call a General Meeting, other than an AGM, on not less than 14 clear days' notice, provided shareholders have approved this by passing a special resolution annually. Accordingly, Resolution 12 is seeking to renew the authority granted at the AGM in 2017. The Company will give due consideration as to whether to use the reduced notice period for the calling of a General Meeting, as permitted by the passing of this resolution, and will not use it as a matter of routine but only where such flexibility is necessary. If this authority is used, the Company will comply with the requirement to provide appropriate facilities for shareholders to vote by electronic means at General Meetings held on less than 21 clear days' notice. If given, this authority will be valid until the Company's AGM in 2019, whereby a similar resolution is intended to be proposed.

Resolution 13 Adoption of new Articles of Association

It is proposed to adopt new Articles of Association with immediate effect, to take into account changes in UK Corporate Governance requirements and/or developments in market practice.

The full terms of the proposed amendments to the Articles of Association are available for inspection at the registered office of the Company and at Freshfields Bruckhaus Deringer LLP, 65 Fleet Street, London, EC4Y 1HS during normal business hours, until the close of the AGM on 4 May 2018 and, on that day, at the place of the Meeting, from at least 15 minutes prior to the Meeting until its conclusion.

A summary of all the main proposed amendments to the Articles of Association is presented below. Other changes which are of a minor, technical or clarifying nature have not been noted in this explanation.

1 Annual re-election of Directors

The UK Corporate Governance Code requires that all Directors of FTSE 350 companies are subject to annual re-election by shareholders. The Articles of Association are being updated to reflect the Company's actual practice and will be amended to require annual retirement and re-election of Directors at the AGM. The current Articles of Association require the Directors to retire on the third anniversary of appointment.

Explanation of business continued

2 Untraced shareholders and forfeiture of proceeds

The new Articles of Association amend the provisions relating to untraced shareholders. The requirement to place notices in newspapers will be replaced with a requirement for the Company to take reasonable steps to trace the shareholder, including engaging a professional asset reunification company to search for shareholders who have not kept their details up to date. Shareholders whose shares are sold following this tracing process will not be able to claim the proceeds of sale and the Company can use these funds as the Board sees fit.

3 Suspending information rights

The new Articles of Association suspend the requirement to supply untraced shareholders with information to be sent under the Articles of Association or legislation to avoid wasted costs.

4 Chair's adjournment powers

The scope of the Chair's adjournment powers is being widened to allow the Chair to adjourn the meeting without consent if it appears to him or her that it would facilitate the conduct of the business of the meeting to do so.

5 General updates

As the Board is proposing to adopt new Articles of Association to amend the current Articles of Association as described above, the opportunity has been taken to clarify minor inconsistencies in certain other parts of the Articles, and update provisions to reflect current statutory and regulatory rules (aligning the Articles, for example, with the Mental Health (Discrimination) Act 2013, which prevents discrimination on the grounds of mental health) and to remove redundant provisions (such as references to 'extraordinary' General Meetings). All gender references in the existing Articles of Association have also been made gender neutral to demonstrate the Company's continued commitment to diversity.

The Directors believe that the adoption of all the Resolutions set out in this Notice of AGM are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of the Resolutions, as each Director intends to do in respect of his or her own beneficial holdings.

Technical notes

- 1 A member is entitled to appoint another person, who need not be a member, as his/her proxy to exercise all or any of his/her rights to attend, speak and vote at this AGM or any adjournment thereof. A member may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member.
 - 2 A Form of Proxy is enclosed. To be valid, the Form of Proxy must be received by the Company's Registrar, Equiniti, by no later than 11.00am on Wednesday, 2 May 2018 or, if the AGM is adjourned, 48 hours before the time of the adjourned AGM (excluding any UK non-working days). The appointment of a proxy will not prevent a member from subsequently attending, speaking and voting at the AGM in person.
 - 3 If you wish, you may register the appointment of a proxy for this AGM electronically, by logging on to the Registrar's website at www.sharevote.co.uk where details of the procedure are shown. The Voting ID, Task ID and Shareholder Reference Number shown on your Form of Proxy will be required to complete the procedure. Electronic Proxy Appointment will not be valid if received after 11.00am on Wednesday, 2 May 2018 or, if the AGM is adjourned, 48 hours before the time of the adjourned AGM (excluding any UK non-working days), and will not be accepted if found to contain a computer virus.
 - 4 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for this AGM by using the procedures described in the CREST Manual available by logging in to the Euroclear website at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order to be valid, the appropriate CREST Proxy Instruction must be transmitted so as to be received by the Company's Registrar, Equiniti (CREST participant ID RA19) by 11.00am on Wednesday, 2 May 2018 or, if the AGM is adjourned, 48 hours before the time of the adjourned AGM (excluding any UK non-working days). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his/her CREST sponsor(s) or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting system providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 5 Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that if two or more representatives purport to vote in respect of the same shares: (i) if they purport to exercise the power in the same way as each other, the power is treated as exercised in that way; and (ii) in other cases, the power is treated as not exercised.
 - 6 The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the 2006 Act ('Nominated Persons'). Nominated Persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy for the AGM. If Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
 - 7 Holders of ordinary shares are entitled to attend and vote at General Meetings of the Company (including this AGM). On a vote by show of hands, every member who is present has one vote and every proxy present who has been duly appointed by a member entitled to vote has one vote, unless the proxy has been appointed by more than one member and has been instructed by one or more members to vote for the resolution and by one or more members to vote against the resolution, in which case the proxy has one vote for and one vote against. On a poll vote, every member who is present in person or by proxy has one vote for every ordinary share of which he/she is the holder.

- 11 Under Sections 338 and 338A of the 2006 Act, members may
- (i) require the Company to give to members entitled to receive notice of the AGM, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and
 - (ii) request the Company to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may be properly included in the business, provided that it is not defamatory, frivolous or vexatious or, in the case of a resolution only, it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise). The Company will include such matter if sufficient requests have been received by members who have at least 5% of the total voting rights or by at least 100 members who hold shares on which there has been an average sum, per member, of at least £100 paid up and submitted in the manner detailed in Sections 338 and 338A of the 2006 Act.
- 12 Members should also note that it is possible that, pursuant to requests made under Section 527 of the 2006 Act, the Company may be required to publish on a website a statement setting out any matter relating to (i) the audit of the Company's financial statements (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an Auditor of the Company appointed since the previous meeting at which the Annual Report and Form 20-F were laid. Where the Company is required to place a statement under Section 527 of the 2006 Act, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under Section 527 of the 2006 Act to publish on a website.
