INTERCONTINENTAL HOTELS GROUP, PLC FORM 8937 - STATEMENT 1 ATTACHMENT

The Company paid on Tuesday 29 January 2019, a special dividend of US\$2.621 per each ordinary share outstanding as of Friday 11 January 2019. The Company consolidated its shares in order to broadly maintain comparability, as far as possible, of the share price before and after the payment of the special dividend.

The effect of the share consolidation was that shareholders on the register at the close of business on Friday 11 January, received 19 **new ordinary shares for 20 existing ordinary shares** and in that proportion for any other number of existing ordinary shares then held. The proportion of the total issued share capital of the Company held by each shareholder immediately before and following the share consolidation, save for fractional entitlements, remained unchanged. Apart from having a different nominal value, each new ordinary share carries the same rights as set out in the Company's Articles of Association that attached to the old ordinary shares.

Shareholders whose holdings of old ordinary shares that could not be consolidated into whole numbers of new ordinary shares were left with a fractional entitlement. New ordinary shares representing the aggregated number of such fractional entitlements were sold in the market on Monday 14 January 2019 for an average gross price of 4299.05 pence on behalf of the relevant shareholders. The net proceeds of the sale, after the deduction of the expenses of the sale, were paid in due proportion to the relevant shareholders on Wednesday 23 January 2019. Shareholders who held only one ordinary share received only cash.

For further information regarding the special dividend and share consolidation, please see the Notice of General Meeting at
